Jedi Colors

- Jedi primary colors are browns, greens, tans, khakis, and creams. These colors are commonly referred to as earth tones. No neon or electric greens will be allowed.
- Jedi secondary colors are blues, light purples, teals, and oranges. No neon colors, electric colors, or safety orange will be allowed.
- Jedi have the option of using gold/yellow for trim only. No neon or electric yellow will be allowed. Jedi can choose trim colors from the Secondary and Primary Color Charts.
